BRADY®

WHEN PERFORMANCE MATTERS MOST™

ID PAL™ LABELING TOOL
THE PROVEN LABELER OF PROFESSIONALS.

The ID PAL™ Labeling Tool is a portable thermal transfer printer engineered for the field, with a rugged design that can withstand a four-foot test drop to concrete. It's an indispensable tool for datacomm installers, electrical contractors, maintenance crews, construction teams, and other industrial professionals.

High-Performance Brady Labels:
With the ID PAL Labeling Tool, you get the advantage of high-quality Brady labels that stick and stay stuck to tough surfaces, including wire, cable, and highly textured plastic.

Easy to use, with the features you need:
At only 1.2 lbs., the ID PAL printer packs a lot of function into a small, easy-to-use, hand-held package. Anyone can pick up the ID PAL Labeling Tool and start creating more professional labels.

- Intuitive keypad with electrical and datacomm symbols
- Special wire marking mode with 10 preset lengths
- Multiple line printing and serialization
- Quick top-load, drop-in label cartridge
- Easy-to-peel labels
- Built-in industrial cutter
- 12 month warranty
